

Kawailani 'Ino Hawaii (Heavenly Water Storm)

Amateur Radio Emergency Communications Drill

April 16th. 9:00 AM - Noon

Amateur Radio Emergency Service (ARES®)

The Hawaii Amateur Radio Emergency Service will conduct an exercise to simulate a 4 day period of catastrophic rain and wind covering the Hawaiian Islands from Kauai to the Big Island with loss of power, internet, and cell towers in order to train ARES members and non members in radio operation & procedures while following the National Incident Command System Structure.
