

No one is presently available to manage radio operations in Kauai during this drill.

Hawaii Section Emergency Coordinator Clem Jung KH7HO has asked me to provide the following guidance:

If you wish to participate in this drill, please review the neighboring district or county's ICS-204 and ICS-205 to determine the frequencies and hubs that may be reachable from your district. Or send it to the State EOC at HIEMA-RACES (Winlink Tactical Call Sign).

Both Voice and Winlink have roles in this drill. See Participant's Timeline Checklist for details by time.

Please remember to keep track of any contacts to or from you on an ICS-309 form and provide to your DEC after the drill.

If you need help during the drill there is a zoom link available from 0830 - 1430, with the Hotwash occurring beginning at 1330. Zoom link:
